Subject: Re: Following up - Region 1 PFAS Conference

Jim and I had calls with both 1)EPA/NE States PFAS Working Group and 2) community coalition/ reps. Both calls were held to update on planning and get feedback/input.

Both calls went well with some good feedback. I will consider this in draft agenda to be shared later today. I will also share a few general questions and comments.

Thanks.

Alex,

Just following up to see if we can get all the states together to talk through the agenda and invite concept around the PFAS discussion. See you on Sunday!

Thanks,
Peter
